

## ZIVENT ZV SERIES

ZIVENT AUTOMOTIVE WINDOW FILM, ZV Series, offers the best environment for the drivers. With our patent of Low Reflection Hybrid Coating which maximizes the Solar Energy Blocking and the crystal clear Optical Clarity, driving will be a pleasure

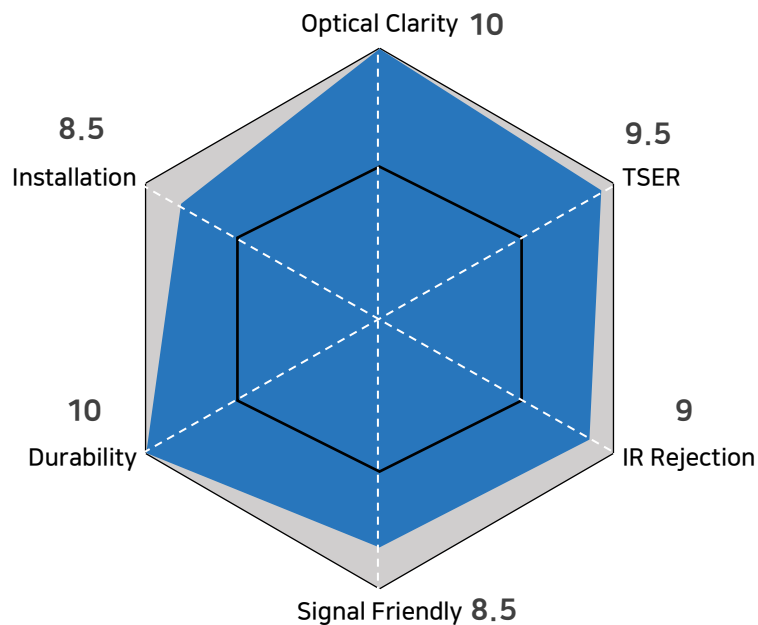

Experience the driving pleasure with ZV Series

### FEATURES

■ ZIVENT ZV Series provides world-class Optical Clarity regardless of product grade.

■ ZIVENT ZV series' ultrathin metal coating maximizes the feeling of temperature reduction and will change the prejudice on metallized films such as moiré, gps interference, rainbow effect, anything that make drivers uncomfortable.

■ ZIVENT has world class PSA (pressure sensitive adhesive) technology. Therefore the installation of the ZV Series is satisfactory, and the film will not peel off in the frit.

※ ZIVENT ZV90 Series Standard

**Real heat reduction sensation**

**Unrivalled Optical Clarity**  
(No - Moire / Rainbow / Haze)

**Friendly Installation**

**No Signal Interference**
